Certification Date: 05 Aug 2019

Expiration Date: 05 Aug 2024

# Certificate of Inspection

Vessel Name: LINCOLN THOMAS

This Certificate of Inspection (COI) is issued in consideration of the provisions contained in 46 U.S.C. 3103 and 46 CFR Part 139, on the basis of reports, documents and records provided by Sabine Surveyors, an approved Third Party Organization, and the vessel's possession of a valid Coast Guard UTV Decal.

This vessel has been certificated in accordance with the Towing Safety Management System (TSMS) option utilizing the external survey program. Sabine Surveyors is the approved Third Party Organization. TSMS Certificate number associated with this vessel is 2307671-C10942-001.

When the vessel operates for less than 12 hours, minimum manning may be reduced as follows: One (01) master and one (01) deckhand.

Prior to getting underway, the master or officer in charge of a navigational watch shall ensure that the vessel is in compliance with the stability requirements of the trim and stability book, stability letter, load line, or the intended route and service.

This vessel is designed for pushing ahead and has a TSMS that contains procedures for evacuating crewmembers onto the tow or other safe location. Survival craft is not required.

One (1) 40-B portable fire extinguisher, in addition to those required by Table 142.230(d)(2), must be located near the flammable storage room or cabinet.

Two (2) 40-B portable fire extinguishers, in addition to those required by table 142.230(d)(2), must be located in the engine room.

Under the authority of 46 CFR 136.120, OCMH Houston-Galveston has determined that the vessel need not be equipped with the appropriate lights and shapes required by 33 CFR 83.27 and 33 CFR 83.30 as long as the vessel is not operating with restricted maneuverability or aground as per CVC-WI-010(2).
